Dear Friends of the Club,

On behalf of the **Boys & Girls Club of Troy** Board of Directors, Staff and Club members thank you for donating fertilizing lawn services for our Club grounds in 2023. Your commitment demonstrates your care and support for youth.

Because of community support like yours, we are able to offer programs in five core areas: *Education & Career Development, Character & Leadership, Arts & Crafts, Health & Life Skills, and Sport, Fitness & Recreation.* Through programs like these, the **Boys & Girls Club of Troy** is able to instill in members a sense of competence, usefulness, empowerment, and belonging, enabling them to become caring, responsible citizens.

We are grateful for your commitment to community non-profits, like the **Boys & Girls Club**. You are making a difference in kids' lives.

Sincerely,

*Thank you*

Jeff Evans  
Chief Executive Officer

*No goods or services were made available to you in connection with this generous contribution. The full amount of your gift, therefore, is deductible as a charitable contribution.*
